Dear Sir/Madam,

RE: PROPOSED COOPERATION IN THE DEVELOPMENT OF COPPER MINES AND COPPER-RELATED PRODUCTS

Gadol Tanzania Investment Co. Ltd. ("the Company") is a Tanzania-registered investment and mining company, registered with the Business Registrations and Licensing Agency (BRELA) of the United Republic of Tanzania. We write further to your company profile to formally express our interest in establishing a business relationship with Hi-E Andar Holdings Limited.

We understand that Hi-E Andar Holdings Limited is an established Hong Kong-based trading company with a strong network for import and export, and experience in arranging and managing international commercial projects across Asia. We believe there is strong potential for a mutually beneficial partnership between our two companies.

The Company is ready to cooperate with Hi-E Andar Holdings Limited in the development of copper mining projects, as well as the supply and trade of copper-related products, including copper concentrates, cathodes, and other value-added copper materials, for the regional and international market.

We would welcome the opportunity to discuss this proposal further, including your specific requirements, preferred product specifications, and volumes of interest, with a view to establishing a long-term and productive working relationship.

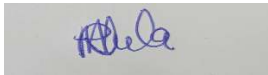

We look forward to your positive response and remain available at your convenience for a meeting or call to progress this cooperation.
